## Configuring the Google toolbar Pop-up Blocker

If you are using Internet Explorer with the Google toolbar, ensure that the Google Toolbar says "Site pop-ups allowed" when you are on Service Champ's home page. To accomplish this, go to the [www.servicechamp.com](http://www.servicechamp.com) home page and click the button on the Google Toolbar that says "# blocked" (e.g., 132 blocked in the picture below). The button will turn into "Site pop-ups allowed".
