

OUR FORECAST: BAD WINTER WEATHER IS GOOD FOR YOUR BUSINESS.

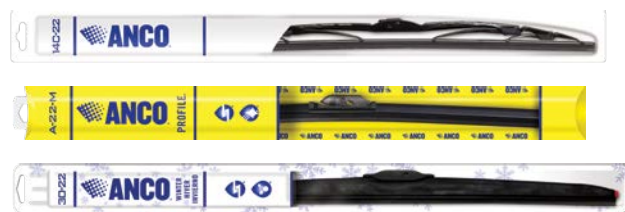

ARE YOU READY FOR THE LONG WINTER?

When the weather takes a turn for the worse, make sure your customers can turn to you for help.

The Lights & Wipers Load Up features Wagner Lighting Products and Anco Wiper Blades. Two excellent product lines your customers can rely on through the season and year-round.

Replacing lights and wipers is an important service you can offer along with an oil change. Ordering is easy, and will be included with your regular Service Champ shipment. Supporting safe winter driving habits is good for your customers and your business.

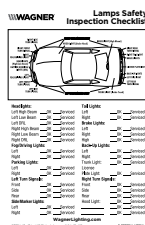

A CLEAN WINDSHIELD MEANS A SAFER JOURNEY

For nearly 100 years, Anco has made premium replacement wiper blades for passenger cars and commercial vehicles. They are made from exclusive materials in a variety of designs for comprehensive coverage of makes and models.

WINTER NIGHTS REQUIRE EXCELLENT HEADLIGHTS.

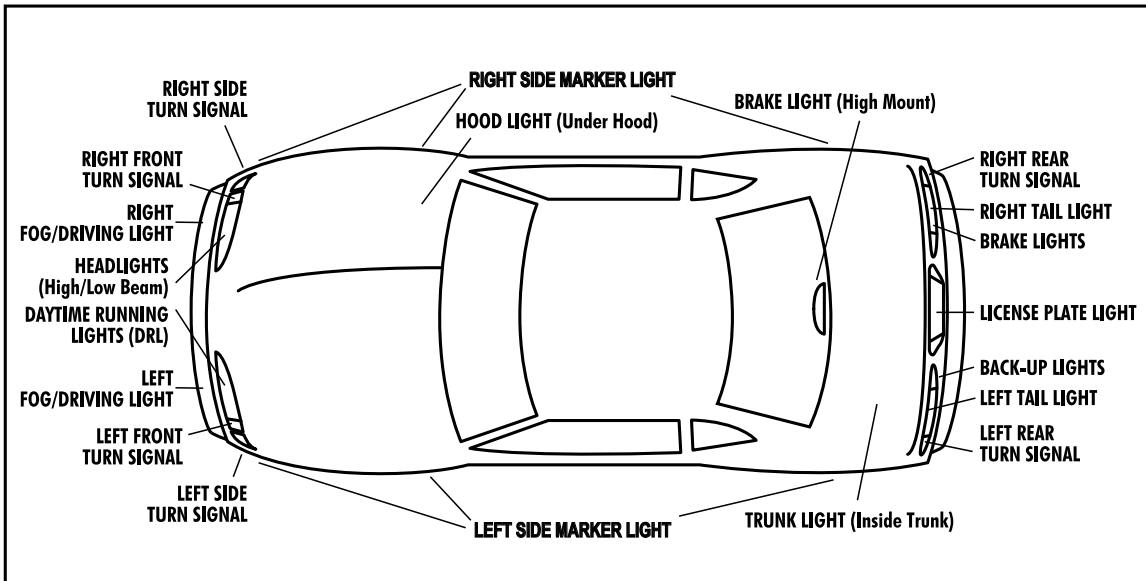

Wagner offers replacement lighting products from headlights to taillights and everything in between. Made to meet strict quality control standards, they often surpass the original equipment in performance.
