

THE ENDLESS SNOW AND DARKNESS IS NEAR. HELP CUSTOMERS GET READY.

WINTER IS COMING.

Soon, your customers will be driving through sleet, snow, ice, and darkness. Be ready to help them prepare. The Lights & Wipers Load Up features Wagner Lighting Products and Anco Wiper Blades. Two excellent product lines that support safe driving through the season and year-round.

Replacing lights and wipers is a valuable service you can offer along with an oil change. Ordering is easy, and will be included with your regular Service Champ shipment. By helping customers brave the long winter, you'll build your business.

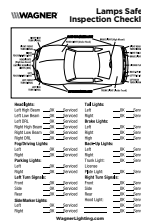

A CLEAN WINDSHIELD MEANS A SAFER JOURNEY

For nearly 100 years, Anco has made premium replacement wiper blades for passenger cars and commercial vehicles. They are made from exclusive materials in a variety of designs for comprehensive coverage of makes and models.

WINTER NIGHTS REQUIRE EXCELLENT HEADLIGHTS.

Wagner offers replacement lighting products from headlights to taillights and everything in between. Made to meet strict quality control standards, they often surpass the original equipment in performance.
